

# Leapify Report On UI/UX

---

JULY 12

---

**COMPANY NAME: BANAO TECHNOLOGIES**

**Authored by: HARSH MOHAN**

---

# Intro Leapify

A Health care website

Moving all throughout the site that it is used for online counselling sessions for Therapist. An initiative to connect all the patients of mental disorder directly can connect to any world corner expert psychiatrist.

***“Find even more easy-to-use tools on the Insert tab, such as to add a hyperlink or insert a comment”***

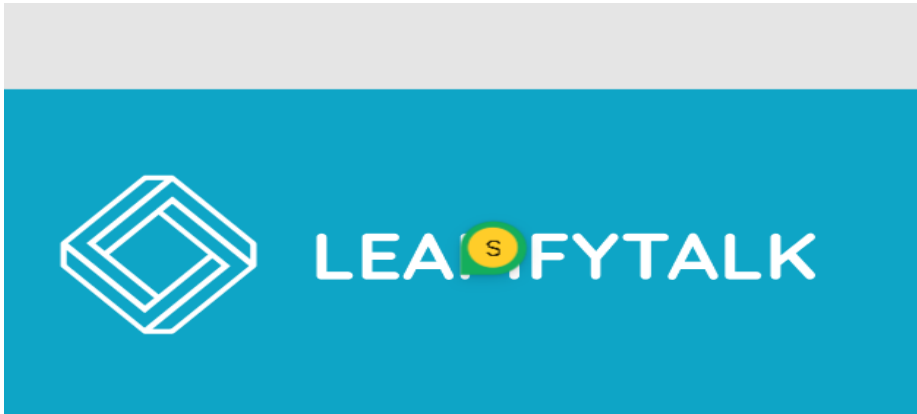

But because of numerous of problems of user interface and problem of experience it's not being deployed on net. This report will highlight all the problems that a user will face while coming on net.

---

## PROBLEM 1

Change in Company Design according to design

Actual design

On website

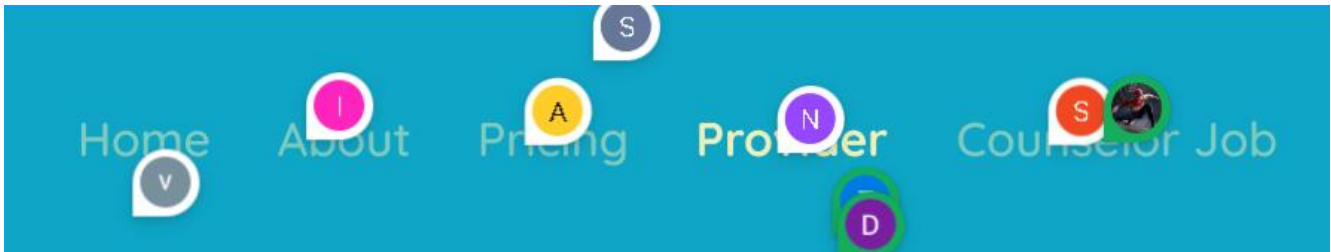

Suggestions:

- >The Yellow color tag on the logo made it look old and non-working site.
- >Brightness in the design of logo need to be equal brightness.
- >It must be bold not so clearly visible.

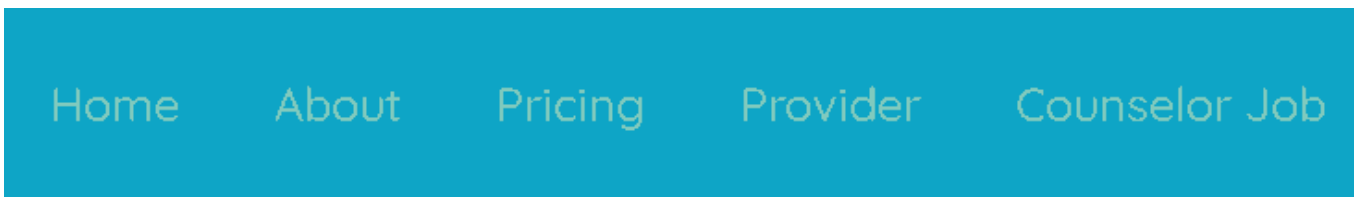

## Problem: 2

Uneven color in the font buttons.

### Design photo

### Website Photo

### Suggestion

- >First of all, the home page buttons are not visible.
- >Decrease in visibility makes poor reaction among user.
- >Here Provider tab in Design and main page is different, it must be same.
- >And use white color instead of pale yellow.

---

### Problem: 3

Spacing Issue on buttons of right-hand side bar

Design photo

Website photo

Suggestion

- >The space between the sign-in tab and Get started tab must be same.
- >Please highlight the sign-in button too.

---

## Problem 4

Difference in quotes in design and main websites

Design photo

Website photo

**Easily connect with  
top  
therapists from  
anywhere - instantly**

Suggestion

>Both must be same if the design is final.

## Problem 5

### Change in photo from design to website

#### Design photo

#### Website photo

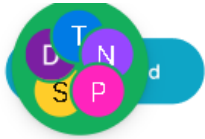

#### Suggestion

>Insert the final image from design page.

## Problem 6

### Uneven gap

#### Design Photo

More  services at Your Fingertips 

#### Website photo

## Why LeapifyTalk?

#### Suggestion:

>Please maintain the proper spacing according to the design.

---

## Problem 7

Complete change in the Second heading

Design photo

Website photo

# Why LeapifyTalk?

Suggestion:

>Make same heading

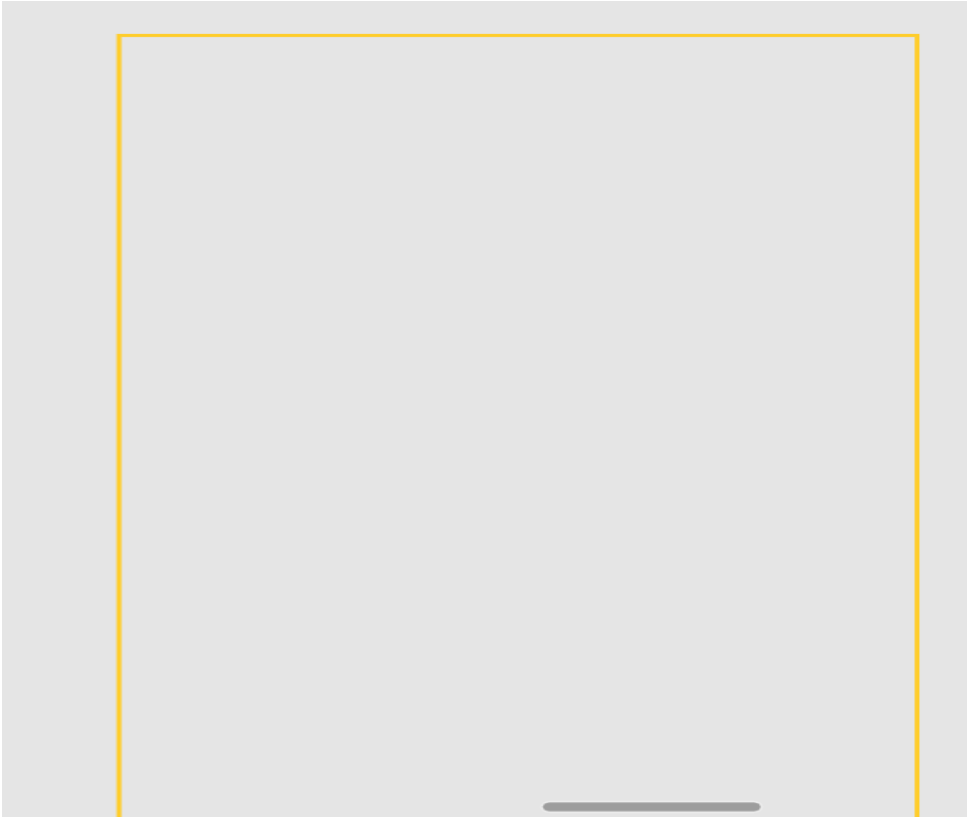

>Use a short note after that

---

## Problem 8

Merge of both Homepage and provider and the design is blank for homepage

Design photo

Where as main page is full of different properties.

---

## Problem 9

The content below the heading is in different lines

Design photo

Website photo

# More Services at Your Fingertips

We're on a mission to make Teletherapy smarter, simpler, and more accessible

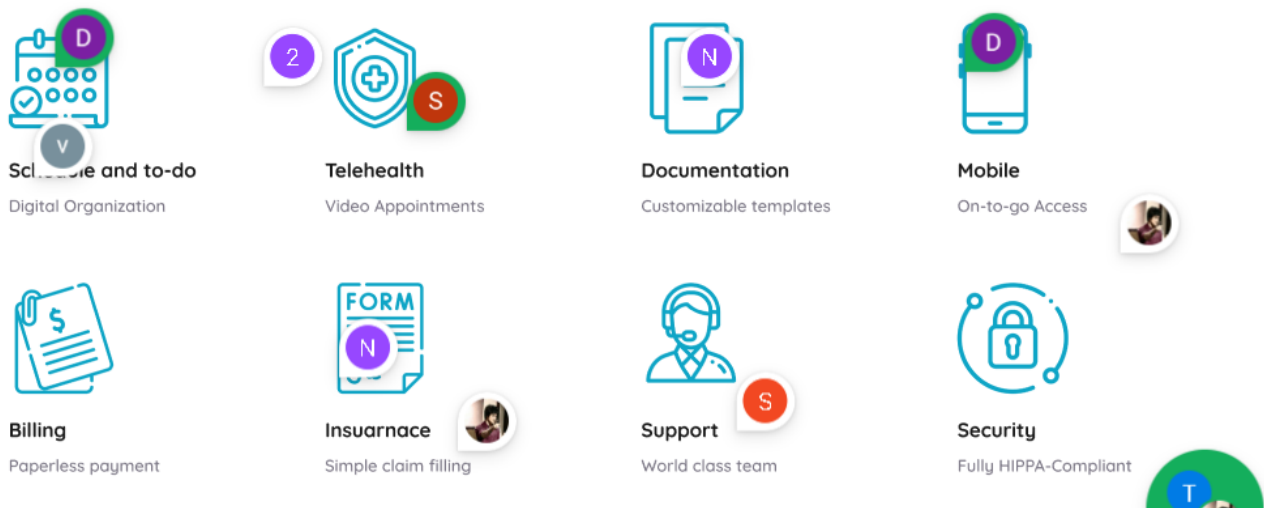

Suggestion

>The content must be in same line.

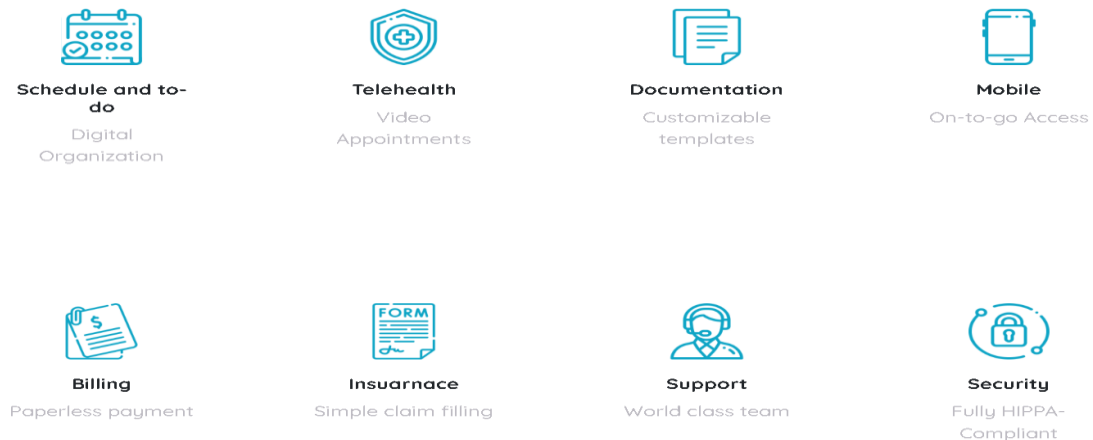

## Problem 10

The Space between the button is mismatched

### Design Photo

### Website photo

### Suggestion

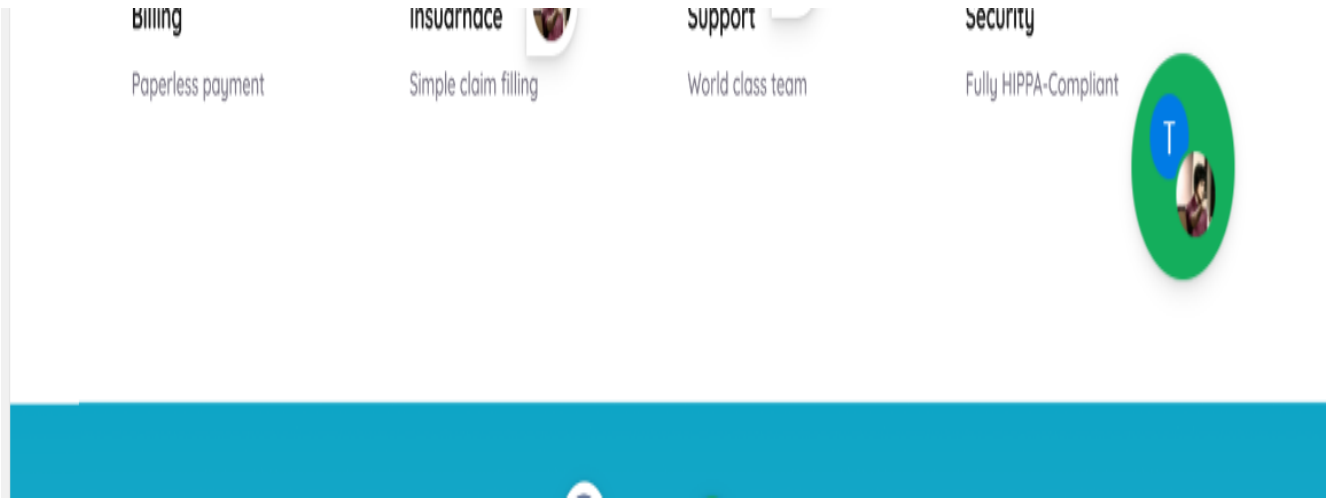

>Both must be equal

>It will impact on the space of the website too so, use it wisely.

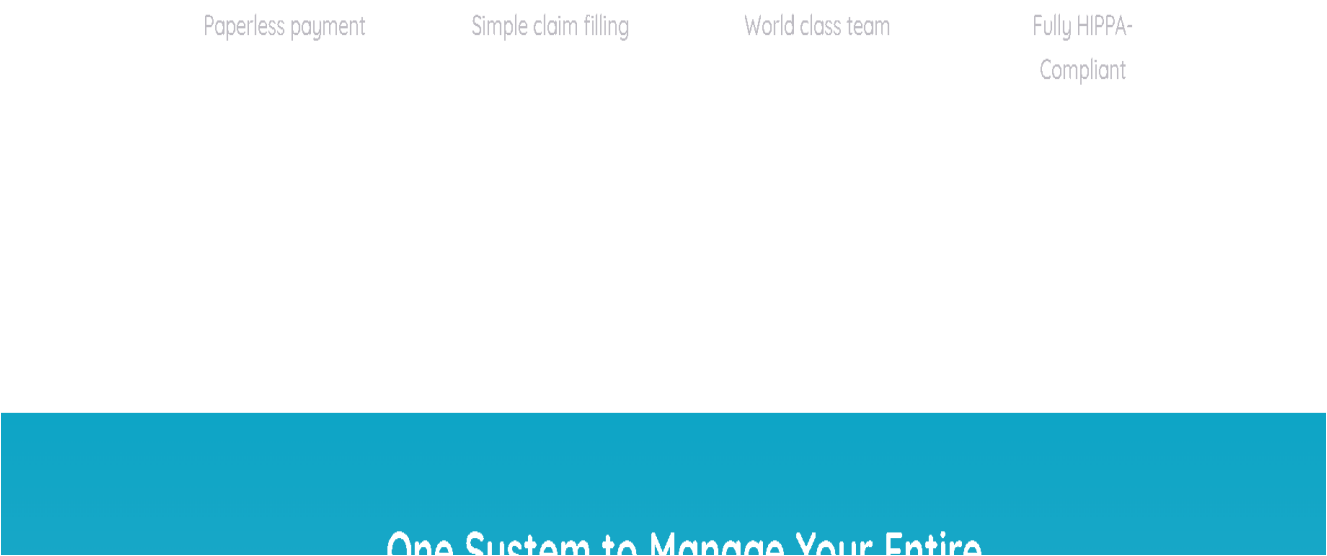

**Problem 11**

**Space issue in between**

**Design photo**

**Website photo**

**Suggestion:**

**>Please maintain the space between the middle and upper layer of webste.**

## Problem 12
